# CUSTOM CABLE ASSEMBLIES

We are equipped with 2 Schleuniger automatic wire stripping machines and can turn out a quick, consistent, repeatable product.

## Capabilities Include:

Coaxial (RF) Cables to 26 GHz Frequency

Power Supply Cables & Harnesses

Ribbon Cables

Antenna Cables

Robotics & Flexible Harnesses

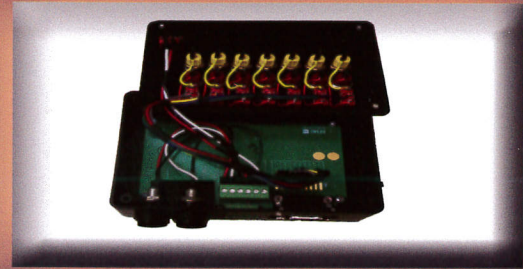

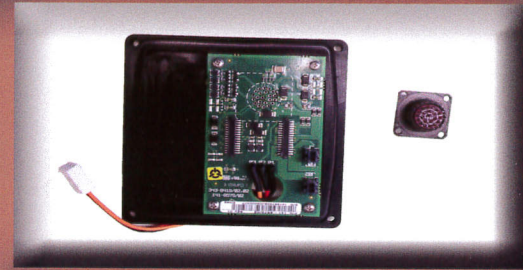

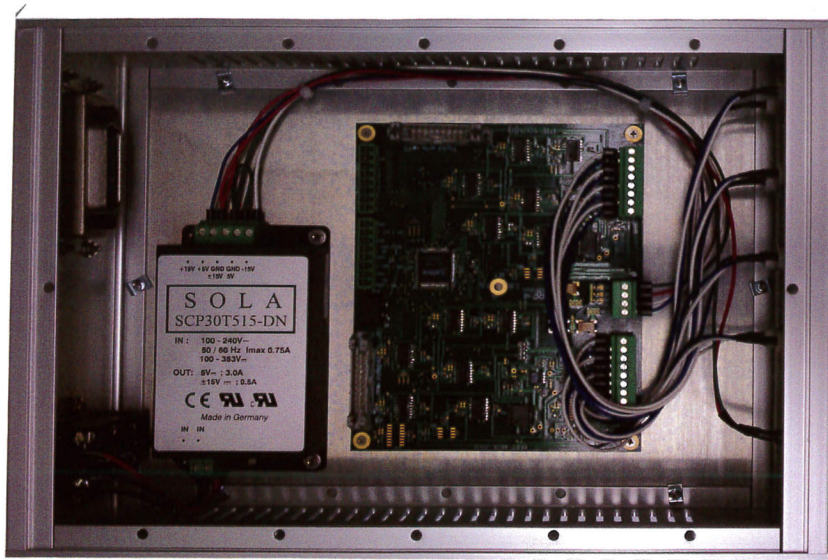

Round to Flat Cables

Custom Adaptors & Connectors

Industrial Wiring Harnesses

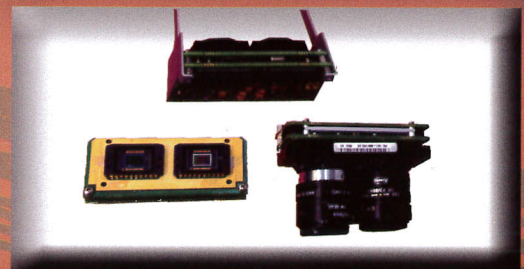

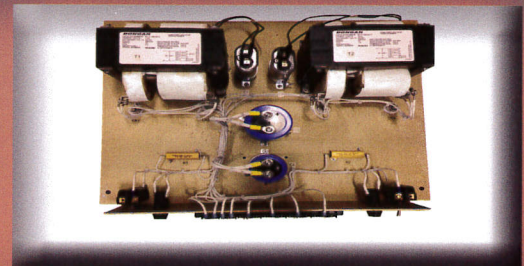

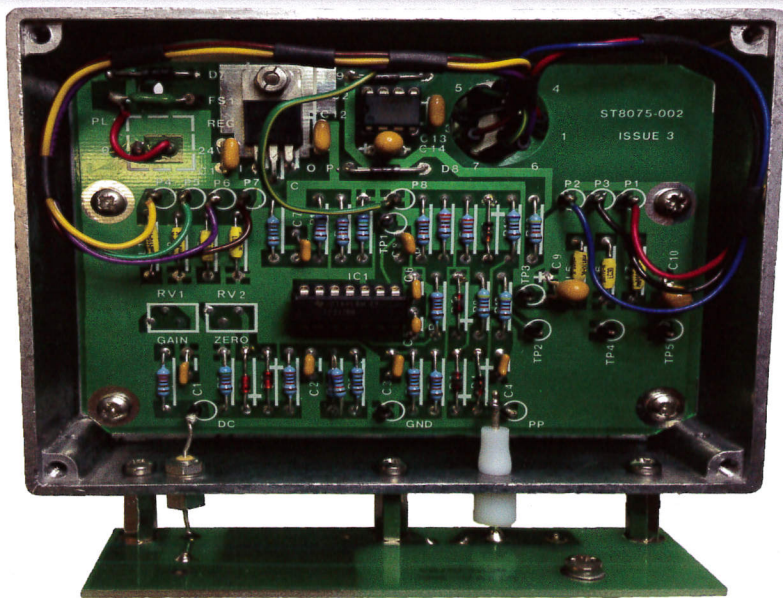

# ELECTRICAL ASSEMBLIES

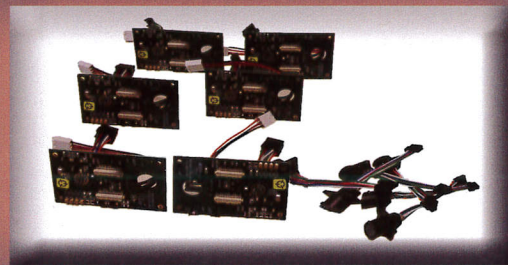

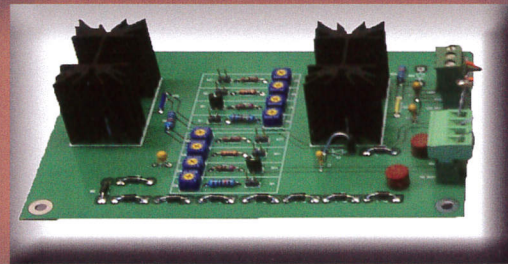

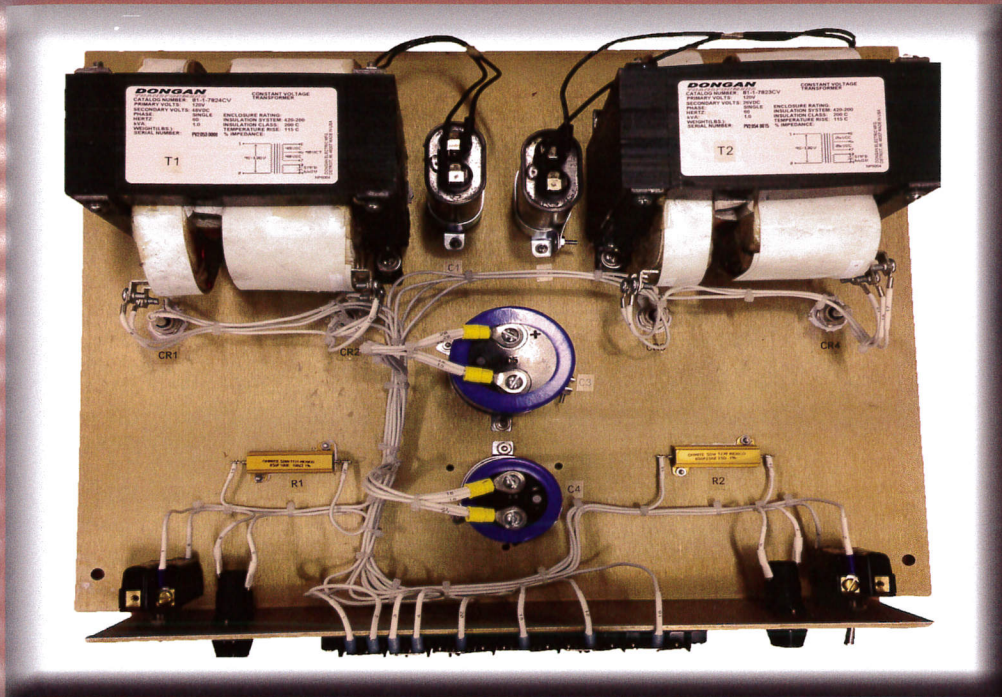

Through Holes and Surface Mounts up to Smallest Market Size  
Custom Enclosure Layout  
Low or High Volume  
Your Logo Printed on Product

# REBUILDING AND REFURBISHING

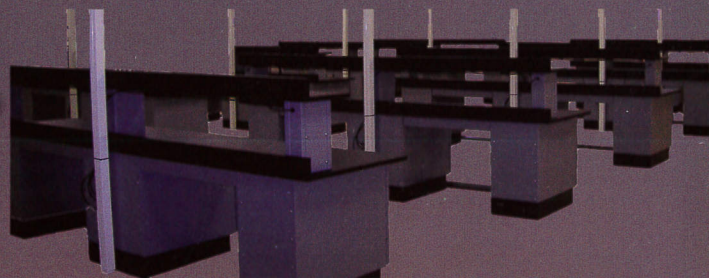

# CUSTOM COMPONENTS

Reverse Engineering for Obsolete Parts  
Custom Engineered to Your Specs  
No Job Too Big or Small

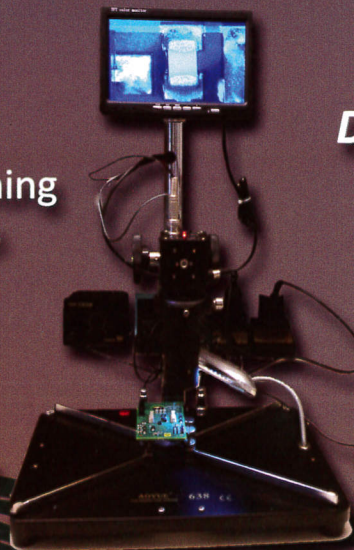

## LAB EQUIPMENT, WORK STATIONS, AND SHELVING

Made to Fit Your Unique Needs

## TURNKEY AUTOMATION

Past Projects Include:  
Adjustable Cardholder  
Embossing Machine  
Screen Printing and Machining  
Electrical Control Panels  
Lid Close Machine  
Force Gauge Machine  
Ultrasonic Welder  
Rope Hanker Machine  
Custom Sealer Machine

*No Minimum Order

# Inventory Management Systems

## By Tiger Controls

Our flexible Inventory Management System is custom designed to meet every unique need of your mill, plant, warehouse, or business.

Tiger Controls is your one-stop solution to inventory control. With our system, you will have the ability to closely monitor inventory levels with minimum manpower.

### Included in each system:

- Thermal Printer to Print Barcodes
- Complete Desktop Computer with Monitor
- Barcode Scanner
- Custom Excel-based Software Package
- Optional Series Cycle Count and Labeling
- Optional Shelving and Bins

### Tiger Advantage:

- Instant Wireless Information Updates
- Custom Excel Printouts
- Easy-to-use and Cost Effective
- Custom Min./Max. Quantity Alerts
- No More Costly Overnight Restocking
- Stand-Alone Technology

Call the Tiger Team now to get a free estimate on your new Inventory Management System!

# UNBEATABLE CUSTOMER SERVICE

With over 25 years of professional engineering behind us, Tiger Controls is committed to providing our customers with high quality products and services. We strive not only to meet, but to exceed expectations. We will do so with the highest standards of honesty, integrity, and reliability. Our quality program is constantly striving for 100% customer satisfaction.

**Tiger Controls also specializes in electrical, electronic and industrial distribution.**

**We will work to consolidate your purchases from the following products into one simple order:**

|                   |                     |                      |
|-------------------|---------------------|----------------------|
| Relays            | Fuses               | Attenuators          |
| Controls          | Air Cylinders       | Power Splitters      |
| Drives            | Computer Products   | PC Boards            |
| Power Supplies    | Oscilloscopes       | Adhesives            |
| Analyzers         | Lables and Markers  | Couplers             |
| Specialty IC      | Ventilation         | Sealants             |
| Wire & Cable      | Batteries           | Microscopes          |
| Connectors        | LED Lighting        | Vacuum Pumps         |
| Multimeters       | Specialty Lighting  | Lab Instruments      |
| Switches & Valves | Signaling           | Test Equipment       |
| Motors            | Encoders & Decoders | Soldering Products   |
| Proximity Sensors | Alarms              | Microwave Components |
| Transducers       | Enclosures          | Amplifiers           |
| Fiber Optics      | Feedthroughs        |                      |
| Photo Sensors     | Viewpoints          |                      |

*... and more!*

We specialize in custom cable assemblies and engineering services. Ask one of our team members for more details.
