Dear Ms. Singh:

Your application for certification as a WBE submitted by your firm has been reviewed by the M/WBE Office. Based on the information provided, your firm meets our criteria for certification as a WBE as defined by the City of Greensboro's Minority and Women Business Enterprise (M/WBE) Program. The period of certification shall be in effect for two years. At the end of that time, your firm shall be requested to update its certification.

Please note that the vendor identification number assigned to your firm is #26074. This identification number is used by the City of Greensboro to monitor municipal expenditures to bona fide minority and women owned businesses. City departments seeking the service of your firm may request this identification number.

Your firm should maintain an accurate mailing address, a working telephone number and some person or device for accepting messages. It is essential that you respond immediately to solicitations and bid requests. It seriously impairs our ability to assist minority and women owned firms if certified M/WBEs cannot be reached or choose not to return telephone calls or correspondence. Should your firm experience any change in ownership, control, address, telephone number or specialty please notify the M/WBE Program Office in writing within two weeks of that change.

Your participation in the M/WBE Program is greatly appreciated. If you have any questions, please feel free to contact the M/WBE office at (336) 373-2674 at your earliest convenience.

Thank you,

Ruth Bowden
M/WBE Certification Specialist
