

Tiger Controls, Inc. Temporary Services

Tiger Controls can provide **temporary engineering, technical and assembly services** to help you to meet dead lines and work on various projects. We can work at your location under your supervision to give you quality work.

Tiger Controls Temporary Employee Services has staffing to fill the following positions.

* On-Site Technician Services:	\$60/hr	\$441/day	\$2112/week
* On-Site Mechanical Engineer Services:	\$100/hr	\$736/day	\$3520/week
* On-Site Electrical Engineer Services	\$100/hr	\$736/day	\$3520/week

Our representatives can be **hired hourly, daily, or weekly**. Rates are flexible depending on the type and length of help required. (Minimum 4 hours)

We are looking forward to working with you. Please call us if you have any questions.

Thank you for your time.

Sincerely,

President
Neeta Singh
